

The Beaucaire Bulletin

December 2017

Lots of exciting things are happening in the preschool during the month of December! On Tuesday December 5th we will participate in The Hour of Code. The students will be introduced to the basics of computer coding, through various toys and computer games. We will also discuss winter holidays and celebrations and have a quick study about boxes.

If you have any empty boxes at home, please send them to school!

Please check your child's notebook next week for more information about our winter celebration!

Upcoming Dates to Remember:

Friday December 22 – Winter Celebration

December 25 – January 5 – No School (Winter Break)

Monday January 8 – School resumes

Monday January 15 – No School (Martin Luther King Jr. Day)
