

The Beaucaire Bulletin

February 2018

Dear Parents,

During the month of February we will experiment with light and shadows, explore simple machines, discuss dental health and focus upon identifying the members of our families. We will continue to work on counting objects on a number line, patterning and graphing.

Ms. Beaucaire
nabeucaire@cps.edu

Please send in a photograph of the members of your family (mom, dad, brothers, sisters) by February 15th.

Upcoming Dates to Remember:

Friday February 2 – No School

Wednesday February 14 – Valentine’s Day Party

Monday February 19 – No School (Presidents Day)
