## September 2017

**Dear Parents,**

**The students have gotten off to a great start! They are learning the school routine and have adjusted well to their new schedule. During language arts we are focusing upon tracking print from left to right, choral reading, identifying and writing sight words and copying the date from the board onto their journal paper. During math, we have worked on following and extending patterns, identifying numbers and counting. In science, we are learning about the five senses.**

### **REMINDER!**

**Your child needs to wear a school uniform every day (white shirt and blue pants/ skirt or dress.**

A reading log was sent home last week. Please have your child read each day and color in a "smiley face". Send back the form when it is completed.

### **Upcoming Dates to Remember:**
