

# January 2018

## What's New in A102?

Mrs. Camacho eqcamacho@cps.edu

*Happy New Year!*

### What are we Learning....

Language Arts- This month we will be learning about the letters H, I, and J. Our activities will be based on the winter season and students will work on various activities and crafts that are designed to enhance their understanding of the alphabet and its importance in communication. We will continue to read theme-based stories during morning circle and will have the opportunity to assist in turning pages and identifying pictures.

Mathematics- We will continue working on number activities 1-10 and sorting big and small.

Science- We will learn about our body and how to help our body grow by eating health foods.

Social Studies- Students will listen to weekly Current Event read aloud and complete matching activities related to the article.

### What You Can Do At Home

Please check your child's backpack everyday for notes. These will be found in your child's individual folder and notebook.

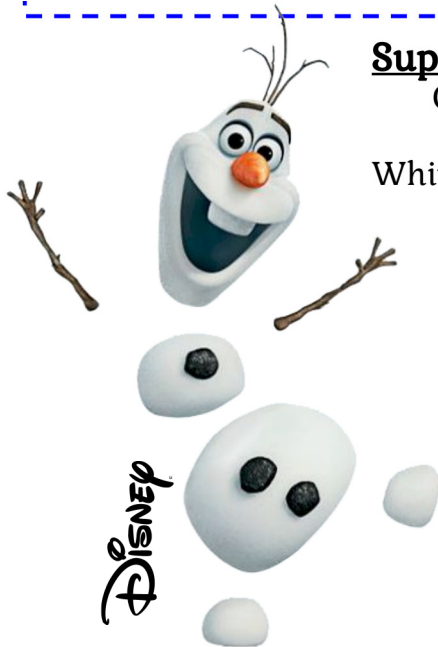

I also encourage you to help your child to become more independent by allowing them to take an active role in their daily living. Some examples include, zipping/unzipping, brushing their teeth, and putting toys away.

### Supplies Needed!

Clorox Wipes

Kleenex

White printing paper

### Important Dates:

★ January 15 - No School  
Martin Luther King Jr. Day
